### Fiber Trenching and Installation Acknowledgement

#### Authority and Service Description:

I hereby confirm that I am the Owner or an authorized party on behalf of the owner of the property at the Service Address referenced above. I acknowledge the order for AireBeam's Fiber Optic Broadband services and understand that AireBeam will install Fiber Optic Broadband services to and into the premises as described below.

#### Installation Components:

The installation includes:

1. **Utility Location:** Utility Locators responding to 811 will enter the property to mark utilities.
2. **Trenching:** Trenching will occur from the rear lot line to the premises.
3. **Fiber Route:** The fiber route must maintain specific layout parameters.
4. **Hardware Installation:** Conduit, plastic enclosures, and the Optical Network Unit (ONU) will be installed.

#### Responsibilities and Access:

1. **Utility Marking:** I agree to keep fences unlocked and the area free of pets until Utility Locators complete their work and AireBeam completes the installation.
2. **Private Facilities:** I am responsible for showing AireBeam's installation team any private underground facilities to avoid accidental damage.
3. **Landscaping:** I understand that any landscaping alterations, such as the removal of pavers or stones, are my responsibility.

#### Equipment Ownership:

I understand that all AireBeam-provided equipment remains the property of AireBeam and must be returned upon service termination. Unreturned equipment will result in charges to my account.

#### Agreement:

I have read, understood, and hereby agree to all the terms and conditions set forth in this Fiber Trenching and Installation Acknowledgement.
