AIREBEAM TERMS AND CONDITIONS OF SERVICE

FIF AireBeam, LLC, a subsidiary of subsidiary of Boston Omaha Corporation (NYSE: BOC), on behalf of itself and its parent, affiliate, and subsidiary entities authorized to provide the services set forth herein (collectively, "AireBeam") will provide its Internet access service ("Internet Service," "Service," or "Services") to you, herein referred to as ("Subscriber") in accordance with these terms and conditions, which terms and conditions incorporate and include the Acceptable Use Policy ("AUP"), the Privacy Policy, and any separate billing or use agreement entered into by Subscriber and AireBeam, as such policies and agreements may be changed from time to time (collectively, the "Terms of Service").

Subscriber's use of the Internet Service shall be an acknowledgment that Subscriber has read and agrees to the Terms of Service and agrees that anyone the Subscriber permits to use the Internet Service will abide by the Terms of Service.

Failure to comply with these Terms of Service may result in suspension or termination of Service by AireBeam. IF SUBSCRIBER DOES NOT AGREE TO BE BOUND BY THESE TERMS, SUBSCRIBER SHOULD IMMEDIATELY STOP THE USE OF THE SERVICES, and contact us at support@airebeam.com requesting account closure.

AireBeam regularly updates and amends these Terms of Service. Subscriber should consult AireBeam's website at <https://airebeam.com/terms-and-conditions> to ensure Subscriber complies with the currently applicable Terms of Service.

Billing and Payments

Unless Subscriber's Internet Service is subject to a separate billing agreement, including but not limited to a bulk billing service agreement, Subscriber agrees to pay all charges associated with the Internet Service. If the Subscriber is subject to such a separate billing agreement, the services subject to that agreement will be billed and paid for as set forth therein. Any additional services subscribed to will be billed and paid according to the terms set forth here.

AireBeam will provide Subscriber with notice of applicable pricing at the time the order is placed, including information regarding any special pricing or discount arrangements applicable to Subscriber's Internet Service. AireBeam requires enrollment in its auto-pay program at sign up, which will authorize AireBeam to draw a payment monthly from the credit, debit, or bank account Subscriber provides for as long as Subscriber continues to be an AireBeam customer unless Subscriber unenrolls from the auto-pay program.

Customers who choose a month-to-month agreement will be subject to an additional \$5.00 per month fee to the data plan selected. Customers have the option to upgrade to a term agreement at any time to remove this additional month-to-month fee.

If the Subscriber does not enroll in the auto-pay program, AireBeam reserves the right to charge a late fee for any payments made beyond the invoice due date. AireBeam also charges a \$2.50 manual payment fee for any payments mailed in or requiring an AireBeam Representative to process the payment on the customer's behalf.

AireBeam will provide Subscriber with advance notice of any price change or fees or any new prices or fees. However, if the fee change was outside AireBeam's control (e.g., increased governmental imposed fees or taxes), AireBeam may elect not to provide advance notice unless required by applicable law.

Terms and Conditions of Service

Subscribers are billed in advance for recurring fees and charges unless otherwise agreed to, and AireBeam's services are provided on a month-to-month basis. AireBeam does not offer partial months of service. If the Subscriber requests to terminate service before the end of the billing period, the Subscriber will continue to receive service through the end of the billing period. Subscriber will not receive a refund for any unused portion of services.

If the Subscriber receives services subject to promotional or discounted pricing, the Subscriber will be responsible for the standard regular charges upon the expiration of the specified promotional or discount period. AireBeam does not waive its right to collect the entire balance owed by accepting payments for less than the amount due. If the Subscriber pays any invoices late or fails to pay invoices, then AireBeam reserves the right to assess a late fee of \$15.00. Any fees or charges for late or non-payments are not penalties but are considered liquidated damages to AireBeam resulting from late or non-payments.

If AireBeam uses a collection agency or attorney to collect money owed by Subscriber, then the Subscriber agrees to pay any reasonable collection costs. These costs include, but are not limited to, any collection agency's fees, reasonable attorneys' fees, and arbitration or court costs.

If Subscriber fails to pay the total amount due by the date due, AireBeam reserves the right, in its sole discretion in accordance with applicable law, to suspend or terminate Subscriber's Internet Service.

If AireBeam receives a chargeback from Subscriber's credit/debit card issuer or with respect to any other payment method for any reason, Subscriber acknowledges that AireBeam has the right to terminate services immediately.

If you cancel your Service on any day other than the last day of your billing cycle, no refunds will be issued for payments made for that month, and your account will be deemed terminated on that date. Any outstanding balances on your account must be cleared through the date of termination.

We reserve the right to terminate this Agreement, your password, your account, and/or your use of the Service without prior notice and for any reason, including but not limited to, failure to pay any charges when due or violation of this Agreement. After you notify AireBeam of your intent to terminate Service, you must promptly return your Equipment to AireBeam within 30 days after termination. After receiving your intent to terminate Service, AireBeam will send customers an email with return instructions to return the Equipment to AireBeam. AireBeam will, at its

Including pre-authorization for the Equipment until AireBeam receives the Equipment. Upon your termination of Fixed Wireless, we may dispatch a technician to uninstall and remove Equipment.

Access to Premises

By placing an order for service, Subscriber grants AireBeam the right to enter Subscriber's property exterior and access the residence exterior to install, maintain, repair, or remove AireBeam's property at reasonable times and upon advance notice to Subscriber. By placing an order, the Subscriber warrants either that Subscriber is the property owner, or that Subscriber has the authority to provide AireBeam access to the property.

Subscriber also warrants that Subscriber is at least 18 years of age and that Subscriber owns the premises or has received permission from the owner of the premises to make any changes to the premises needed to install the equipment and receive services.

Subscriber hereby grants AireBeam permission to install and is releasing AireBeam from any liability related to damages that the landlord may claim as a result of an alleged violation of Subscriber's lease/rental agreement as it relates to the installation of internet services. It is also the Subscriber's obligation to confirm that the placement of the antenna on the premises is not in violation of any restrictive covenants, conditions, or homeowners' restrictions. If, after the installation, the Owner, Landlord, HOA, COA or other party require the connection to be removed, the Subscriber agrees to pay an additional \$149 charge.

Charges may apply for installation, certain maintenance, and support services if a technician is dispatched. Charges may be per technician, may vary depending on when services are performed (e.g., time of day and weekday, holiday, or weekend), and may include a minimum charge regardless of the actual number of hours worked. We will notify you of any applicable charges in advance of you incurring such charges. If you report trouble, you must pay a dispatch charge if the trouble is not found in our facilities (no charge if we later find the trouble was in our facilities) or our equipment or is found in customer equipment/systems or Equipment. A dispatch charge also applies if: (A) Subscriber requests a service date change but fails to notify us before the service date and AireBeam technician is dispatched on the service date (will have to pay dispatch charge and we will change the service date) or (B) AireBeam technician dispatched for maintenance of service and no trouble is found in AireBeam equipment (applies each time this happens). Any requested repairs to your facilities or equipment are not included in the dispatch fee and will be charged on a time and materials basis.

Subscriber acknowledges that they will use the AireBeam equipment exclusively in connection with the AireBeam Internet Service. Subscriber will not sell, lease, abandon, or give away the AireBeam equipment. Subscriber acknowledges responsibility for any lost or damaged AireBeam equipment, apart from normal wear and tear. Subscriber authorizes AireBeam to charge any equipment not returned or damaged beyond normal wear and tear to Subscriber's account, and Subscriber authorizes any equipment replacement costs to be applied to any payment method on file for the Subscriber.

Subscriber Equipment includes any software, hardware, or services, including, for example, smart home accessories and devices, that Subscriber chooses to use in connection with the Internet Service and which are not provided by AireBeam (unless purchased by Subscriber from AireBeam). AireBeam is not responsible for the operation, maintenance, or functionality of any Customer Equipment Subscriber chooses to use in connection with the Internet Service.
